Exhibit No. 1

The Radio Ministries Board of Victory Christian Center Assembly of God, Inc. ("Radio Board") is a three-member board which is elected by the congregation of Victory Christian Center Assembly of God, Inc., a non-stock, non-profit Indiana corporation. The Radio Board, which was established on December 5, 1990 by a nearly unanimous vote of the congregation, is empowered to oversee all aspects of operation of the proposed radio station. Members serve four-year terms and must work full-time at the proposed radio station. The current members of the Radio Board are Larry S. Riley, Janice Bender and Nancy Rooney.

**INTEGRATION STATEMENT**

The Radio Ministries Board of Victory Christian Center Assembly of God, Inc. ("Radio Board") is a three-member board composed of Larry G. Riley, Janice Bender and Nancy Rooney.

Larry Riley. Larry G. Riley proposes to integrate at the proposed station as its full-time General Manager, working there on a daily basis, a minimum of 40 hours per week. As such, he will supervise overall operation of the station, including sales, personnel, traffic and programming. He will have ultimate responsibility for hiring and firing employees and he will oversee implementation of the station's EEO program.

Larry Riley is currently full-time Senior Pastor of Victory Christian Center ("VCC"). In the event Radio Board's application is granted, Reverend Riley will transfer some of his current responsibilities to existing full-time or part-time church staff and additional staff will be employed to assume various other responsibilities currently held by Reverend Riley. Thus, although Reverend Riley will continue to be employed as Senior Pastor of VCC, his current duties in that position will be reduced to no more than twenty hours per week in order to accommodate his 40 hour per week commitment to work at the Seelyville radio station.

2.

Radio Board does not claim any minority or female credit with respect to Larry Riley. However, it will seek qualitative credit for Reverend Riley's residence within the service area. From December 1986 to approximately December 1988, Reverend Riley resided on Route 32, Terre Haute, within the proposed service area. Since approximately December 1988 to the present time, Reverend Riley has resided at 8101 East Acorn Lane in Terre Haute, Indiana, also within the proposed service area, about 1 1/2 miles from the city limits of Seelyville. He plans to continue residing within the proposed service area while integrated at the proposed station.

Additionally, Radio Board seeks credit for Mr. Riley's civic involvement in the proposed service area, including the following:

1987-Present: Reverend Riley has been an active participant in coordinating a Terre Haute area food give-away program run by the Catholic Charities Food Bank. Several times a year, Reverend Riley has been the coordinator between VCC and Catholic Charities for the food program. This activity has taken about 20 hours.

1987-Present: Reverend Riley has been active in coordinating, through the VCC Public School Outreach program, a drug prevention program with North High School, South High School and

3.

Northview Junior and Senior High Schools, located in Terre Haute and Brazil, both within the proposed service area. His activities have included organizing drug prevention seminars and arranging for such speakers as Strike Force, Tony Borders and Barry Mason. Rev. Riley has devoted over 100 hours to this activity.

1987-Present: Through the Study Skills Institute, Reverend Riley has personally provided free counseling services to individuals (not limited to VCC members) in the Terre Haute area who need assistance with drug and alcohol problems, financial difficulties, marital difficulties, etc. He has devoted many hundreds of hours to this function.

Approximately May, 1990 to the Present: Reverend Riley has worked with the City of Terre Haute on special activities for the city's Memorial Day Patriotic Program. This annual event, sponsored by VCC, includes a patriotic musical and fireworks. Reverend

4.

Riley worked with city officials, including the Mayor, on organizing the 1990 event and will do the same in 1991.

Over the past several years, Reverend Riley has periodically counseled individuals and families in conjunction with the Terre Haute Council on Domestic Abuse. He has devoted more than 50 hours on such service.

1987-88: Reverend Riley was an advisor to two Terre Haute Women's Aglow groups, which meet monthly to listen to special speakers and engage in discussion. Reverend Riley assisted in planning and implementing those meetings. He spent approximately 30 hours on this activity.

Finally, Radio Board will seek broadcast experience credit for Reverend Riley's regular appearances on a daily half-hour radio program entitled, "Life in the Spirit," broadcast five days a week for about two years, from 1988-1989, over Stations WYTL(AM), Terre Haute, and WWVR(FM), West Terre Haute. Additionally, credit will be sought for Rev. Riley's appearances as a guest on interview/talk shows (totalling about 100 hours) on television stations in Modesto, California (Channel 19), from

1984-1986; in Concord, California (Channel 40) in 1985; and in Hobles, New Mexico in 1985. These programs included viewer call-in segments.

Nancy Kaye Rooney. Nancy Rooney proposes to work full-time (a minimum of 40 hours per week), on a daily basis, as the station's Program Director. As such, she will be in charge of all non-public affairs programming at the station. Ms. Rooney will directly supervise any program department staff and will report directly to Mr. Riley, the general manager.

Ms. Rooney, who is currently employed at WWVR-FM part-time, and at Rent-a-Maid, will terminate both those positions (and any other employment she may then have) in order to work full-time at the Seelyville station.

Radio Board does not seek minority credit but does seek female enhancement credit for Ms. Rooney. It also seeks credit for her residence within the proposed service area from November 1978 to the present time. During that time, and continuing to the present, Ms. Rooney has resided at 7612 North 42nd Street in Terre Haute. She plans to continue residing in the service area while integrated at the proposed station.

Additionally, Radio Board seeks credit for Ms. Rooney's civic involvement in the proposed service area, including the following:

She recently was asked to re-join the Center's Board of Directors. Her activities have required about two hours per week.

August, 1990-Present: Ms. Rooney has been a member of the Board of Directors of the Greater Terre Haute Church Federation. Among the organization's functions are planning

activities where members of diverse churches or faiths may come together; promoting programs that benefit needy people in the Terre Haute area, including food pantry and counseling programs; and promoting communications between churches, the Federation and the community. Ms. Rooney is also a member of the Federation's Communications Committee, which publicizes the federation and its activities, is responsible for a newsletter, a directory of churches and religious organizations, and produces three television broadcasts, "Faith to Live By," "Religious Heritage" and "Religion in the News," in cooperation with Terre Haute Station WTWO-TV. She spends about two-three hours per week on Federation activities.

Women's Council, Women's Aglow and Full Gospel  
Businessmen's Fellowship. She spends 20-30  
hours per year on these activities.

Radio Board also will seek credit for Ms. Rooney's past broadcast experience. As noted above, Ms. Rooney is currently a newscaster and music coordinator for "Religion in the News," a weekly half-hour program produced by the Greater Terre Haute Church Federation and Television Station WTWO, in Terre Haute, and broadcast on WTWO, and helps with production of two other Federation programs.

Additionally, since 1988 she has worked part-time (12-30 hours per week) for United Broadcasting Company, licensee of FM Broadcast Station WWVR, West Terre Haute, Indiana. In that non-management position as on-air announcer and sales agent, Ms. Rooney's duties include announcing, sales (acquiring and servicing accounts), producing commercial and public service announcements, and hosting and producing two weekly radio programs. The first is entitled "Wabash Valley Report," which is a live interview program featuring Wabash Valley residents discussing pressing issues in their communities. (Seelyville is located in the Wabash Valley area.) The other, entitled "New Song Ministries Broadcast," is a 25-minute program wherein Ms. Rooney highlights service area music ministries, including their

music and giving concert schedules and booking information. Her employment with United will end before Ms. Rooney begins working at the Seelyville station.

Also, since 1988, Ms. Rooney has made periodic appearances on interview programs and has been a guest soloist for such programs as "Joyful Noise" and "Open Bible," broadcast on Station WBAK-TV, Terre Haute.

Additionally, on a volunteer basis, Ms. Rooney is a special feature writer for the Terre Haute Tribune Star, writing a weekly newspaper column entitled, "Gospel Notes."

Janice Bender. Janice Bender proposes to work full-time (a minimum of 40 hours per week), on a daily basis, as Public Affairs Director for the proposed station. In that position, she will be responsible for ascertaining what issues are of interest and importance to Seelyville area residents and for establishing public affairs programming responsive to those needs and interests. Ms. Bender will directly supervise any public affairs department employees. She will report directly to Larry Riley, the proposed General Manager.

Ms. Bender, who is currently employed as a full-time secretary at VCC, will terminate her employment at VCC (and any other employment she may then have) in order to work full-time at the radio station.

Radio Board does not claim any minority or broadcast experience enhancement for Ms. Bender, but it does claim qualitative credit for her female status and for her residence within the proposed service area from about March 1973 to the

present time. Ms. Bender resided at 7415 Wabash Avenue in Terre Haute from about March 1973 to December 1978. Since December 1978 she has resided at 7358 Wabash Avenue in Terre Haute, approximately 1/4 to 1/2 mile from the city limits of Seelyville. She plans to continue residing in the service area while integrated at the proposed station.

Additionally, Radio Board seeks credit for Ms. Bender's civic activity in the proposed service area, including the following:

1972 to 1976: Ms. Bender was a Big Sister in the Big Brother/Big Sister program located in Terre Haute. As a Big Sister she took a child on family picnics, social functions, etc. and provided nurturing and personal attention. She devoted about 500-600 hours to this program.

This group was formed to coordinate communications between utility companies, constructors, etc. as to the location of various gaslines, telephone lines, water lines, and cables to avoid potential disruption of service to local customers. Ms. Bender was employed by General Telephone Company of Indiana at the time she was

involved in "Be Aware" but she was not paid to be a member and act as Secretary of the group. She devoted about 20-30 hours per month to this activity.

She handled all of the group's financial responsibilities and was active in each monthly meeting. She devoted about 100 hours to this activity.

1989 to the Present: Ms. Bender has been actively involved with a Terre Haute Ministerial Counseling program. She has helped make appointments for various ministers

15.

who provide counseling for drug and alcohol abuse, financial problems, etc. and has spent a total of about 100 hours on this activity.

1989 to the Present: Ms. Bender has been active in a Terre Haute food give-away program run by Catholic Charities Food Bank, doing telephone work and distributing food baskets to the needy in the Wabash Valley area. She has spent about 20-30 hours on these activities.

**DIVESTITURE**

Neither Radio Board nor its members has any ownership interest in, holds any directorship or officership with, or otherwise has an "interest in" any broadcast station or other media of mass communications.

However, out of an abundance of caution, Radio Board notes that Nancy Rooney is currently working in a part-time non-management position for United Broadcasting Company, licensee of WWVR-FM, West Terre Haute, Indiana, where she is an announcer, sales person, and program host and producer. Ms. Rooney plans to resign that employment prior to commencement of program tests of Radio Board's Seelyville station.

Also out of an abundance of caution, Radio Board reports that (a) Ms. Rooney is a member of the Board of Directors, and serves on the Communications Committee of, the Greater Terre Haute Church Federation, which, in cooperation with WTWO-TV, Terre Haute, produces three weekly television programs entitled "Religion in the News," "Faith to Live By" and "Religious Heritage." As a volunteer, Ms. Rooney has helped in some areas of production with respect to those programs and is a newscaster and music coordinator for "Religion in the News"; (b) Ms. Rooney makes periodic appearances as a guest on interview programs and as a guest soloist for programs such as "Joyful

2.

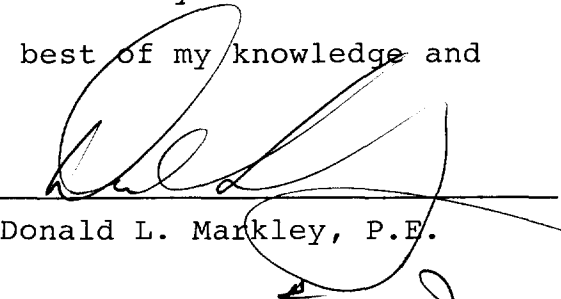

Noise" and "Open Bible," all broadcast on Television Station WBAK-TV, Terre Haute; and (c) as a volunteer, Ms. Rooney writes a weekly column, "Gospel Notes," for the Terre Haute Tribune Star.

Dear Ms. Searcy:

Transmitted herewith in triplicate on behalf of The Radio Ministries Board of Victory Christian Center of Assembly of God, Inc. (the "Radio Board") is a pre-designation amendment to its above-referenced application for a new FM Broadcast station at Seelyville, Indiana. This amendment, which reports the resignation of Radio Board member Larry Riley and appointment of his temporary replacement, Jerry Morris, is filed pursuant to Section 1.65 of the Commission's rules.
